

SIGN APPLICATION

City of Clarksville, Tennessee

Application is hereby made for a permit to construct/renovate or alter a structure as described herein or shown in accompanying plans and specifications. Said structure is to be located as shown on the accompanying plot plan. The information, which follows and the accompanying plans and specifications therein contained are made part of this application and in reliance upon which the director or building official is requested to issue a building permit.

It is understood and agreed to by the applicant that any error, misstatement or misrepresentation of material fact, either with or without intention, on the part of the applicant such as may or in fact would cause a refusal of this application, made subsequent to the issuance of a permit without the approval of the building official, shall in fact constitute sufficient grounds for revocation of said permit.

Separate permits are required for electrical work. This permit becomes null and void if work on construction authorized is not commenced within six (6) months, or if construction or work is suspended or abandoned for a period of one (1) year at any time after work is commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violation or cancel the provisions of any other state or local law regulating construction or the performance of construction.

This approval does not relieve the designing architect or engineer, contractor or owner of responsibility for correcting plans or construction found at any time to be in noncompliance with applicable codes.
