Sewer Line Rehabilitation Work to Start-Up**

Clarksville Gas and Water's ongoing sewer rehabilitation program is back on schedule for the year and will begin this week on Thursday and Friday, March 26-27, 2015, on Brandywine Drive and Dalewood Drive. The work will focus on sewer lateral line and main line rehabilitation in New Providence, Meadowbrook and the northwest area of Clarksville for the next two months.

Contractors will directly notify residents of the upcoming work and provide an informational brochure on the rehab process. In addition, weekly sewer rehab work street schedules will be reported to local media outlets and posted on the Gas and Water website.

Details about the work can also be viewed on the Gas and Water website, [www.clarksvillegw.com](http://www.clarksvillegw.com), or please contact Y'hanna Perez-Ortiz, P.E., Civil Engineer, at the Clarksville Gas and Water Engineering Department, 931-645-7418.
