

Supplemental Life Insurance

In addition to the \$15,000 basic life insurance the City of Clarksville provides, regular fulltime employees may also enroll in supplemental coverage through Met Life.

- Employees may elect supplemental coverage in \$10,000 increments; maximum coverage is \$100,000. Payment by Met Life doubles if employee's death is the result of an accidental bodily injury.
- Evidence of good health is not required for newly eligible employees or to add \$10,000 during open enrollment. If supplemental insurance is not elected as a new employee, coverage can be requested during open enrollment for a November 1 effective date; Statement of Health will be required and underwriting must approve new coverage.
- **Rates depend upon age and change November 1 after the employee moves into a higher age bracket.**
