**Clarksville Gas and Water
Sewer Line Rehab Work Schedule for June 29-July 3, 2015**

Clarksville Gas and Water contractors will be performing sewer line rehabilitation work on the following streets during the week of June 29-July 3, 2015. Unfinished work will be rescheduled to the following week.

Maple Street
Preston Drive
Park Lane
Strawberry Alley
Chestnut Drive
Glendale Drive
Ft Campbell Boulevard

Rehab work will be done in and around manholes, sewer main lines and sewer lateral connections. While work is performed, customer sewer connections to the main line will be temporarily sealed off to help the work move forward. To avoid sewer backup during the process, it's important that customers limit water and toilet use or any activity that would send water into household drains and sewer lines.

More details about the work can also be viewed on the Gas and Water website, www.clarksvillegw.com, or please contact Y'hanna Perez-Ortiz, P.E., Civil Engineer, at the Clarksville Gas and Water Engineering Department, 931-645-7418.
