Crime Stoppers

- Here is how Crime Stoppers works:
- Crime Stoppers is based on the fact that not only does the victim and perpetrator know about the crime committed, someone else also has information about the crime.
- Crime Stoppers allows anyone having information about a crime to call the Tips line and give the information to a trained call taker and remain totally anonymous.
- Those tips are then forwarded to the coordinator to be distributed to the appropriate agency for investigation
- Once the crime is investigated, if the information led to an arrest and/or prosecution , the caller may be eligible for a cash reward of up to \$1000.00.
